

KEEP
CALM
WE'RE
OPEN
FOR
THE HOLIDAYS

It's December. You're crazy busy. Last thing you want to do is scramble to shoot and edit a photo for a themed competition that you're ill prepared for, right? No worries. Both competitions this month are open so that you can pick your favorites from among your catalog and relax. Then you can sit back and enjoy a display of photos that are the product of inspiration rather than perspiration.

Next Meeting

Our next meeting is scheduled for December 19 at 7pm.

- Social Hour: Spend some quality time catching up with old friends and making some new ones. There will be no presentation this month.
- Refreshments: Got a treat you'd like to share with your fellow photographers? We'd be delighted to add your contribution of sweet and savory snacks to our table.
- Judge: Buddy Eleazer
- Competitions: Digital – Open, Mono Prints – Open
- Submission Deadline: Sunday, December 17 at midnight
- Bonus Contest: Photo in a Bag. There will be a special table set up to display everyone's printed entries. No image upload required.
- Pre-meeting Workshop: None. Early birds can get the party started.

Buddy Eleazer, one of our most popular judges, is an international award winning wildlife and landscape photographer with 35 years of experience. He has traveled to 22 countries on four continents; learning to appreciate and respect multiple cultures. His images have been featured by Popular Photography, National Geographic and the prestigious Epson Panorama Awards.

Time for Some Holiday Lighting

This month's Saturday workshop is on Off-Camera Flash and sheds some light

on a topic that even seasoned photographers find intimidating. Join Bob Laramie for what promises to be a fun and informative program.
