June is ...

not the end of SJCC events

Soaking Up The Sun by Joe Perno

Summer is a Time to Stay Together and Stay Safe

I went out for a hike the other day and noticed a little white flower growing. It's a Pine Barrens wildflower called a Turkey Beard that makes its appearance every year around this time. This year they are thriving. It made me think that with all the unrest and uncertainty in the world, nature is still out there doing its thing. There is still a lot of beauty in the world and good things are happening. As photographers, we can be grateful that we have an interest that allows us to capture what we see around us.

Normally our club takes a break after the June meetings. This year has been a very different year for all of us, so in order to keep our passion for photography going, our board is coming up with ways for us to remain connected throughout the summer. Stay tuned for more information.

June is time for club elections. This year's slate is as follows:

- President: Rich Lewis
- Vice President: Mike Pillows
- Secretary: Vera Hershenberg
- Treasurer: Joe Perno

If you want to nominate anyone for these positions, please email info@sjcameraclub.org with your nominee and we'll follow up. We will be voting virtually at the June 11th online meeting. As always, you can email us here with questions and comments.

Photography Tip! Our members regularly ask for equipment advice in the SJCC Members Lounge. It's a great place to get input from your fellow photographers. A simple thing to do before anything else is ask yourself: "Why

do I want this gear?" Answer seriously and it will help you make wise decisions and avoid buying expensive gear that you never use.

Coming up this Month

All our meetings will be online until the Covid-19 threat passes. The login information will be emailed about a week before the meetings or events.

IMPORTANT: All of our meetings are recorded for members to review. Links are posted in the SJCC Members Lounge Facebook group. Due to their file size, videos will be deleted after 30 days to make sure our drive has room on it. Also, please do not download them or share the links. All presentations are the intellectual property of the presenters. They allow us to record them if the videos are only viewed by club members. Out of respect for the privacy of our members, that also applies to recordings of our competitions. Thanks for your cooperation and understanding.

Mobile Photography User Group (MPUG): Tuesday, June 2 at 7PM.
Join Jeff Feeny and learn how to use your smartphone to create art.
