*Happy Holidays ...*

## December at SJCC

Pinecones by Vivian Lewis

Hello members! The holiday season is upon us and we have set up our schedule for December starting with the popular "Behind the Lens". This has become a mainstay at our club and I encourage all to drop in to see and listen

to the fascinating backstories that will be presented. A big congrats to the selected presenters and all those who received nominations. I am always reminded of how gifted our members are when viewing our gallery. Going back through the months inspires me to do what I always preach... just keep shooting.

Stay well and stay engaged.

*Reminder: save this email for all the dates and zoom links provided... but, just in case, you'll find copy linked in the member drop down window at the top of our site.*

## **Remember: 70% Framing Discount for SJCC Members at Michael's**

SJCC member, Ellie Winter, secured a 70% discount on custom framing at Michael's in the Marlton Crossing shopping center on Route 73. All you have to do is mention that you are a member of the South Jersey Camera Club. Thank you Ellie for landing this benefit for our club!!

## **Coming up this Month**

All our meetings will be online until the Covid-19 threat passes. Please save this email for the links to each meeting.

### **Monthly Presentation: Thursday, December 9 at 7pm** **Behind The Lens by Our Own SJCC Members**

South Jersey Camera Club members nominate their favorite photographs of the year and the photographers who created them speak about how they were inspired, captured and processed.

**Mobile Photography User Group (MPUG): Tuesday, December 14 at 7pm**

*From Our Mobile Photography Master, Jeff Feeny:*

Our MPUG December theme will be "Portraits" and yes they can include Pet Portraits! They can be color or B/W. Bonus points for any funny self-portraits. We all know how photographers shy away from those!

Please make sure you get the images to Jeff no later than the Monday night before the meeting. Send them to [foneartstudio@icloud.com](mailto:foneartstudio@icloud.com),

**Drone Photography User Group: Thursday, December 16 at 7pm**

At the meeting we'll discuss where you can and cannot fly a drone locally. We can also share some drone photography that we've been working on. As always, no drone required. Feel free to join us and ask questions and enjoy some fun stuff as SJCC's drone pilots take photography to new heights.

If you are unsure of how to upload your competition entries, now is a good time to acquaint yourself with the process. [There are useful videos here](#). Even if you are comfortable with it, it wouldn't hurt to check to see if your password is working. Doing this before the deadline crunch will assure that Jim Foy, our Digital Competitions guru, can help you sort out any problems.

**If you are using your smartphone, sign in with the Zoom app and use the appropriate meeting ID and Password.**

**IMPORTANT:** Our presentation and competition meetings are recorded for members to review. The exception is when presenters do not want their presentation recorded. Links are posted in the SJCC Members Lounge Facebook group. Due to their file size, videos will be deleted after 30 days to make sure our drive has room on it. Also, please do not download them or share the links. All presentations are the intellectual property of the presenters. They allow us to record them if the videos are only viewed by club members. Out of respect for the privacy of our members, that also applies to recordings of our competitions. Thanks for your cooperation and understanding.

Wishing you and your family a very Special Holiday season and a Happy New

Year!

Mike Pillows, President

**Competitions, Workshops, and Extras. Oh my.**
