# Only 12 Days Left Until Our November Meeting

## Turn Back Time – Susan Spitz

Lucky you! The calendar has blessed us with an additional week this month to prepare for our upcoming meeting and the Time Pieces themed competition. If you haven't yet composed a timeless image of a time piece, there's still ample time to pull one off.

### Next Meeting

Our next meeting is scheduled for November 21 at 7pm.

- Presenter and Judge: Gino Lista
- Competitions: Digital – Open, Color Prints – Time Pieces
- Submission Deadline: Sunday, November 19 at midnight
- Pre-meeting Workshop: Open Forum, 6:15pm Linden Room

**Gene (Gino) Lista** is a professional photographer, photographic instructor and musician from Atco. Gino owned and operated a full service portrait studio, specializing in families, children and high school seniors, in Voorhees for more than 25 years. He holds the degrees of Master Photographer and Photographic Craftsman with the Professional Photographers of America. Gino has been fortunate to win top honors in many local, state and national PPA print competitions. In 1989, He became a PPA Affiliate print competition juror; one of only 112 internationally. But above all, Gene treasures most the lasting friendships he has made with his fellow photographers. Since his retirement, Gino enjoys creating Glamour images of women. He also conducts occasional workshops on the lighting and posing of these subjects.

**Please note:** While our meetings are open to all, the competitions, workshops and field trips require paid membership in good standing. Our dues deadline for renewing members was October 31. If you are in arrears and want to participate in this month's competition and workshops, you may bring your account up-to-date by filling out our [online application](#) today and arranging payment conveniently through Paypal.

## Everyone's a Critic

While this may be true, some are a little more qualified than others. Did you know that some of our members serve as judges for other local clubs? Take advantage this month's Saturday workshop to get free evaluations of your work (and that of your peers) from a panel of SJCC members who have been on both sides of the judge's chair.

## Photo Critique Workshop

Saturday, November 11, 10am-12pm

Linden Room, Medford Leas

## Refreshments Set-up Help Needed

You come for the presentations. You come for the competitions. You come for the opportunity to socialize with your fellow photographers. And while you're here, you also probably enjoy the array of refreshments that make for an even sweeter club experience. Unfortunately, setting up that table full of goodies takes quite a few trips up and down the elevator and out to the parking lot and it's a big burden on a rather petite person. So, we're coming to you for help, particularly if you're attending the pre-meeting workshop downstairs. Each month, at the end of the workshop, Barbara Doreste will lead a group of volunteers out to her car to bring in the loads of coolers, cookies, chips and other comestibles. Would you mind lending a hand? There's bound to be a chocolate chip in it for you.

Looking forward to seeing you all soon!

Best regards,  
Sara Ascalon, President

## Competitions, Workshops, and Field Trips. Oh my.
