SJCC Online Critique Session: Tuesday January 21st at 7pm

Join SJCC's panel of experienced judges as they guide us through an in-depth,

constructive and supportive online critique session. Our members are welcome to either submit images for a detailed critique or just come and listen.

Here is how to submit images for critique:

1. Email 2 or 3 Jpeg images to info@sjcameraclub.org. Make sure the file name has your name and the image title. Example: Ansel-Adams_Moonrise-At-Yosemite.jpg.
2. Each meeting will be limited to 12 photographers for critiquing selected on a first come first serve basis. The meeting is open to all members, so, even if your work isn't being critiqued, you are welcome to come and watch and learn. If we have a large response, we will try to schedule additional sessions.
3. Since we may not be able to get to all of your images, please specify the order you'd like them reviewed so that we can prioritize the requests.

It's that simple!

Who should submit photographs

- **Beginner photographers** - Constructive and supportive critiques are the best tool to improve your photography. Having a thorough review of your photographs is extremely valuable for your growth as a photographer
- **Intermediate photographers** - If you are comfortable with your camera and post processing software but want to take your work to the next level, critiques will help you see things in your work that will help you refine your skills and develop your unique creative style.
- **Advanced and Salon photographers** - No matter how much we know about photography, we still work alone. Having some outside input from your fellow photographers will be invaluable to help you continue to develop your skills and vision.

Mobile Photography User Group (MPUG): Tuesday, January 26th at 7PM.

From Our Mobile Photography Master, Jeff Feeny:

Happy New Year to all our Smartphonographers! I thought for the beginning of this New Year we would shoot “NEW” things. Maybe show off something new that Santa brought you? Anything in its original packaging or maybe even stuff with price tags still on it. Or it could even be a NEW way of looking at something commonplace. Be creative and think outside the box.

Please make sure you get the images to me no later than Monday night, January 25th.

Send them to foneartstudio@icloud.com, Thanks

IMPORTANT: All of our meetings, except for critique sessions, are recorded for members to review. Links are posted in the SJCC Members Lounge Facebook group. Due to their file size, videos will be deleted after 30 days to make sure our drive has room on it. Also, please do not download them or share the links. All presentations are the intellectual property of the presenters. They allow us to record them if the videos are only viewed by club members. Out of respect for the privacy of our members, that also applies to recordings of our competitions. Thanks for your cooperation and understanding.

A parting note - Stay Safe SJCC

If you asked how many people I knew with Covid-19 in November, the number would be 0. Now a couple months later and it is 5. Everyone got it from letting their guard down. One person has lingering side effects including memory loss. With the end in sight, we still stay safe and do everything to protect ourselves and those you love.

See you online!
