## We're only human

Our crack team of writers and proofreaders, all 3 of us, have showed our humanity by missing an incorrect date for the competition meeting this month. The correct date is **Tuesday December 15th**. Here is the information on both the meetings so you have everything in one place. See you online...

## Coming up this Month

All our meetings will be online until the Covid-19 threat passes. The login information will be emailed about a week before the meetings or events.

**Monthly Presentation:** Thursday, December 10 at 7pm  
**Behind The Lens, Mid-Season Edition -**

Many of you have requested that we hold our Behind the Lens program more frequently than just once a year. Join your fellow SJCC members who have been selected by popular vote to talk about what went into a special photograph they created.

We're taking a break this month for the holidays so we won't be holding the **SJCC Online Critique Session** and the **Mobile Photography User Group (MPUG)**: this month. Both return in January.

**If you are using your smartphone, sign in with the Zoom app and use the appropriate meeting ID and Password.**

**IMPORTANT:** All of our meetings, except for critique sessions, are recorded for members to review. Links are posted in the SJCC Members Lounge Facebook group. Due to their file size, videos will be deleted after 30 days to make sure our drive has room on it. Also, please do not download them or share the links. All presentations are the intellectual property of the presenters. They allow us to record them if the videos are only viewed by club members. Out of respect for the privacy of our members, that also applies to recordings of our competitions. Thanks for

**your cooperation and understanding.**
