---FROM KEVIN RILEY:

Its that time of year again! We are going to hold our annual "Photo in a Bag" contest! Let me start this is an optional contest for our paid membership and this does not contribute to the normal Club competitions points totals. This is a cash prize contest with a First, Second and Third place prize. This Tuesday I will be handing out paper bags containing various objects. You will then take these items and compose a photograph using all items. Then at March's Regular Club Meeting bring a printed and mounted print (please use size and mounting requirements used in our normal competitions). Aside from this there are no rules or guidelines. Please just have some fun with it!

These bags need to be prepared for Tuesday night so please respond here so I can keep count of who needs one. If you know of someone not on Facebook please feel to reach out to them and then chime in for them. I will bring a few extras just in case but can't guarantee enough for all. If you will not be at the meeting please let me know so we can

work out you picking up your bag or let me know if someone will pick it up or you.

Since this is a very open contest there can tend to be questions. Please feel free to ask here or reach out to me!
