Welcome back everyone. I hope everyone had a great summer. I am starting an online photo newsletter once a month.

if anyone wishes to get their news in please email me before the 20th of the month before.

If you are having a show, exhibiting somewhere, photo news

let me know so we can share with the membership.

I will try to put in as much info as possible. Photo news, photo conferences, photo schools, promotional materials, etc...

I know now the sjcc will be having their reception Sunday sept 20th from 2-4pm at the Galleria Deptford. Please come out and support the club.

Take care,
