We will start with a Photography Swap Meet! Whether you have grandmas camera at the bottom of your closet, that lens you never use or some extra picture frames you will never use, bring it all out and throw a price tag on it.

We will also be hosting our Membership Showcase. Through out the year we enjoy each others photography through our competitions. However these are only the brief minutes they are shown to the judge while we watch from our seats. Its time to get up close and personal with each others work. Pick two of your favorite prints you have, mount them and bring them out and we will be showcasing them for the evening.
