**Presentation Program:** Thursday, November 8, 7pm

#### **The Africa Challenge**

**Buddy Eleazer**

If Africa's on your bucket list, this is a talk you will want to hear. After leading more than 3 dozen safaris, Buddy has a good handle on the challenges of planning a trip to Africa. We will discuss when to go, where to go, diversity of wildlife, what lenses to use, shooting opportunities and limitations and many other trip specifics.

If you are not keen to visit Africa but love seeing nature photography, you will also want to hear this talk as the presentation is dense with wildlife and landscape images from recent trips to Namibia, South Africa, Botswana and Kenya.

#### **SJCC Saturday Member Workshop:**

**Off Camera Flash**, presented by Bob Laramie

November 10, 10am - 12pm, Medford Leas, Holly Room

Lighting a photograph with the flash off of the camera opens up all kinds of options

from natural and dramatic effects.

[Magnum Excursions](#)

Buddy Eleazer is an international award winning wildlife and landscape photographer with 35 years of experience. He has travelled to 22 countries on four continents; learning to appreciate and respect multiple cultures. His images have been featured by Popular Photography, National Geographic and the prestigious Epson Panorama Awards.

Buddy specializes in southern Africa wildlife and landscape photography, but no matter what the country; the draw of being outdoors. This is what inspires him to take photos and take fellow photographers on one of his photo excursions.

- **Digital – Open**
- **Color Prints– Negative Space:** the use of the space surrounding the subject to define and add emphasis to that subject.
- Submission Deadline: Sunday, November 18 at midnight
- **BONUS Contest – Panorama:** Bring in one mounted panorama (an image at least twice as long as it is high, or the other way around). Follow the regular guidelines for mounting prints. We will have tables set up outside the auditorium to display them. They will be judged in two groups: beginner/intermediate and advanced/salon. Winners will receive cash awards.
- **Pre-meeting Workshop:** Matting Your Prints, Bonnie Rovere (Linden Room, 6:15pm)

### **Upcoming Field Trips:**

**Howling Woods Farm Wolf Rescue,** Sunday, November 18

## **Exhibition Opportunity:**

## **SJCC Annual Members Show, Medford Leas**

Our annual Medford Leas Exhibition will be hung outside the auditorium throughout November. All active members are invited to enjoy this opportunity to display their framed prints in this exhibit.

### **Drop-off:**

**Sunday, November 4, 11 am - 1 pm**

All frames must be properly wired for hanging. Please email [info@sjcameraclub.org](mailto:info@sjcameraclub.org) with the name, title and price of each work you will be submitting by November 1 so that we can prepare tags. Attach a note with the same information to the back of the frames when dropping off so that they can be identified. Maximum: 3 framed prints per member.

The exhibit will be hung immediately afterward. If you are available to help out, please contact Barbara Doreste.

Thank you for helping us show our gratitude to Medford Leas for the use of the facility, and make a difference in the daily lives of the residents, visitors and staff who look forward to enjoying our work each season.
