October is all about Lipstick...

My lipstick is edible!

Life is like a box of chocolate by Elvira Peretsman

Are you ready for October at SJCC?

Fall is coming! As I write this the temperatures are dropping and we are finally getting out from the summer that didn't want to quit. Of course when we photographers think of fall, we think of the colors. A great place to track the fall color is on this website: <https://www.foliagenetwork.com/>

As always we have a jam packed season of meetings and activities. It's all on our [website](#), but here's what's coming up in October.

Coming up this Month

Presentation Program: Thursday, October 10, 7pm

The Creative Art Of Photography *by Denise Ippolito*

Denise is a full-time, award winning professional photographer, workshop leader, and artist living in New Jersey. She travels extensively presenting lectures, seminars and teaching photography and Photoshop. Her workshops feature a variety of subjects including: avian, flower, landscape and creative photography. Her presentation: "Creative Visual Expressions" is based loosely on her "Visual Expressions" eBook. During this slide program she will share more than one hundred of her very favorite images. Each one carefully chosen to reflect her overall body of work. She'll explain her creative thought process for some of the captures as well as techniques for post processing.

Competition Night: Tuesday, October 15, 7pm

Judge: Cliff Mautner

- **Digital:** Lipstick - A cosmetic intended to enhance or protect the lips. Can be shown applied or as packaged.
- **Color Prints:** Open

This is a challenging topic, so try to do something different. It is also a chance to let your creative juices flow and have some fun.

Workshop: Saturday, Oct 19, 10am - noon at Medford Leas in the Holly Room (to the left of the theater we meet in).

Smartphone Photography with Jeff Feeny

SJCC's own Smartphone Photography Guru will lead this workshop to help you learn to take better images with your mobile phone. This is a basic presentation for beginner mobile photographers, but will be beneficial for all who are interested in becoming more comfortable using their camera phones.

Workshops are for members only and require registration on the website.

Field Trip: Saturday, Oct 12, 8am - 1pm

Allaire Village in Allaire State Park

Allaire State Park is probably best known for its historic 19th-century iron making town, Allaire Village, and its antique steam trains on the Pine Creek Railroad. Field trips are for members only and require registration on the website.

Woolman Gallery Exhibition

As a thank you to Medford Leas for generously allowing us the use of their auditorium and meeting rooms, we provide images to help decorate the Woolman skilled nursing facility on campus. We have a gallery of 16 frames that we fill seasonally with prints loaned by our membership. **We are currently calling for images with a pleasant fall or winter theme.** If you have photos you'd like to submit for consideration please email up to 4 of them to

info@sjcameraclub.org (jpg format, 1400 px wide) by October 9. Please include Woolman Fall Exhibition in the subject line of your email. Photos **must be horizontal in orientation and capable of being printed at 18" x 12"**. Bonnie Rovere will gather and share all the images with the selection committee and notify the makers of their choices asap after the entry deadline. Selected unmounted prints will be collected at our October meetings and installed in the facility shortly afterward.

Medford Leas SJCC Members Gallery Exhibition

Our second show of gratitude to Medford Leas is our annual exhibition that is hung in the gallery outside the theater every November. Members are encouraged to enter prints (properly framed and wired for hanging) for display. They will be seen by residents, employees, and visitors (including those attending the popular Holiday Crafts Show). Work may be priced for sale if desired. We're still working out the details, but while we do that, start thinking about what you'd like to include in this year's edition of what is always a striking show of talent. We'll provide more information once arrangements are completed.

Our Members Make It Happen!

The South Jersey Camera Club is known as one of the best camera clubs in New Jersey and the surrounding areas. As someone who has been to other camera clubs, I daresay we are the best club and we're working hard to make it even better! But, we cannot do it without you. Your membership pays for our programs and competitions. If you haven't renewed your membership, [do it today](#) and continue to enjoy all the benefits this club has to offer. Memberships for this season need to be renewed by the end of October. Don't miss out!

Renew My Membership

Looking forward to seeing you all soon!

Best regards,
Rich Lewis, President

Competitions, Workshops, and Field Trips. Oh my.
